

# Automated Statement Printing

Patient Statements the Easy & Economical Way!

Let your resources work for you while we print and mail out your statements! You don't send your insurance claims on paper anymore, why would you still want to send out your patient statements that way? It takes so much time and office manpower to do it the old way. There is a better way.

## Simply Better

Prepare and send statements as often as you would like, customize your messages, select and deselect patients on the fly. Have eTHOMAS prepare your file, but instead of printing them out in your office, send us the file (securely over the internet) and carry on with the rest of your day. No extra supplies in the coat closet, no more lunches spent at the post office to mail them out, and no muss or fuss. Now you have more time to follow-up with patient care and insurance payments.

# Automating Statement Mailings for You!

- Focus your staff on patient care, patient correspondence, & collections instead of spending their time mailing out statements
- Don't purchase & store statements, toner, envelopes, stamps, etc. anymore
- Send color patient statements with enclosed return envelopes
- Built-in eTHOMAS option
- No long-term commitments. You are charged only for what you use, no monthly fee
- Statements are generally mailed by the next business day
- Start now & use the service as much or as little as you want (some restrictions apply)
- You can still print & send individual eTHOMAS Statements whenever you wish

## No Risk Trial!

Do you mail out statements more than once a month?

**Why not?!**

Control your workflow and your cash flow by automating your patient statements today.
