Register Now!

Join Genius Solutions for a special 1/2-day seminar to discuss all of the current, hot healthcare office topics. We’ll be discussing new items such as 5010, ICD-10, Best Office Practices, as well as how easy it can be to implement a compliance program in your office. You’ll also be able to pick up some new THOMAS tips and tricks.

Tuesday
June 26th Troy, MI

9am-1pm
Only $50
(per person)

Current Topics Include:
• 5010
• Best Office Practices
• Office Compliance Plans
• New THOMAS Features
• ICD-10
• Tech Talk
• And More!

Who Should Attend?
Everyone in your office who uses THOMAS: eTHOMAS, dTHOMAS, or THOMAS lite

Refreshments will be served.

Visit us at www.geniussolutions.com to choose your specialty and then link up with your specialty’s most current information. You can also connect with us on Twitter, Facebook, or our blogs from there.
You will be able to update yourself on New THOMAS features, ICD-10, THOMAS tips and tricks, the 5010, best office practices, as well as what it really means to have a compliance plan in your office and how it can affect an audit. We even have tech-tips for you, some new, all tried and true, all the things you need to know or do. This seminar may be one of the best things you’ll do for your office or yourself this year.

For the phenomenal price of only $50, you can make 2012 a better year by getting “in the know”. Join us from 9am-1pm for our Genius Healthcare Office Solutions Seminar.

How?
You can complete and fax or mail in the quickie registration form to the right, or you can register with our online registration form.
